

POULTRY EXCELLENCE TRAINEE (x2):

Namib Poultry Industries (Pty) Ltd
(Fixed-term position)

OVERVIEW

The Company is committed to economic development in Namibia and invites applications to apply for the **Poultry Excellence Trainee Programme** for young Namibians.

Matriculates with a special interest in the poultry industry are invited to apply for the above-mentioned programme at Namib Poultry Industries (Pty) Ltd.

Namib Poultry Industries (Pty) Ltd is a fully integrated broiler production operation established in 2012 and is situated 30 km north of Windhoek in Namibia, on the B1 highway on the farm Klein Okapuka.

The Company seeks matriculates that are team orientated, self-motivated and innovative.

MINIMUM REQUIREMENTS:

- Namibian Citizenship
- Over the age of eighteen (18) years
- General good health (medical examination will be required)
- Satisfactory outcome of aptitude assessment
- Comprehensive CV with a motivational letter stating why you are the most suitable candidate
- Grade 12 with an excellent academic school record
- A valid Namibian Driver's license
- A fully completed application form

Application forms can be downloaded from the Namib Poultry Industries (Pty) Ltd website: www.npi.com.na or requested via email at roots@namibmills.com.na.

Completed application forms together with certified copies of the above-mentioned documentation should be emailed to roots@namibmills.com.na.

The closing date for applications is **8 December 2023**. Only shortlisted candidates will be contacted for interviews.
